LD 386 An Act To Establish a Comprehensive Wildlife Biology Internship Program

ONTP

Sponsor(s)	Committee Report	Amendments Adopted
SAMPSON H	ONTP	

This bill is a concept draft pursuant to Joint Rule 208. This bill proposes to create a paid internship program in the Department of Inland Fisheries and Wildlife in order to provide beginning wildlife biologists with a diversity of opportunities to increase their experience and make them more versatile and more likely to pursue careers in the State.

The bill requires that the program:

- 1. Employ a competitive process to choose interns;
- 2. Offer a paid internship to each chosen participant for a period of no less than two years;
- 3. Include various fields of study in incremental blocks over the course of the internship; and
- 4. Be offered to no fewer than three interns per year.

This bill anticipates that funding for this program would come, in part, from the consolidation of seasonal and other part-time positions in the Department of Inland Fisheries and Wildlife the duties of which can be performed by interns participating in the program.
