The funds provided by this bond issue, in the amount of \$20,000,000, will be used to replace existing infrastructure systems of the Maine Public Broadcasting Corporation that carry the emergency alert system.

This bill, which had not yet been voted by the committee, was carried over in committee to any special session of the 129th Legislature by joint order, S.P. 788.

LD 394 An Act To Authorize a General Fund Bond Issue To Provide for Student Loan Debt Relief

CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
HOBBS D MIRAMANT D		

This bill was carried over in committee from the First Regular Session of the 129th Legislature by joint order, H.P. 1322. In the First Regular Session a majority of the Innovation, Development, Economic Advancement and Business Committee voted to re-refer the bill to the Appropriations and Financial Affairs Committee; a minority voted Ought Not To Pass. It was re-referred to the Appropriations and Financial Affairs Committee at the end of the First Regular Session of the 129th Legislature.

The funds provided by this bond issue, in the amount of \$50,000,000, will be used to provide funds to the Finance Authority of Maine for zero-interest student loans and loan consolidation or refinancing interest rate reductions for certain Maine residents who agree to live and work in Maine for at least five years. The bill creates the Maine Student Loan Debt Relief Program. Under the program, zero-interest loans up to \$10,000 per year for a maximum of five years are available to certain Maine residents who study at qualified in-state institutions of higher education and agree to live and work in Maine for at least five years following graduation. Loans bearing an annual interest rate of the prime rate of interest plus 2% are available to those who do not live and work in the State upon graduation. The Finance Authority of Maine may provide interest rate reduction payments to residents who use the authority's existing loan consolidation and refinancing program. This option is available to individuals who studied in Maine or outside of Maine and agree to live and work in Maine for at least five years. The bill exempts from Maine income tax any benefits received under the program to the extent included in federal adjusted gross income and prohibits individuals who have received benefits under the program from receiving the Maine educational opportunity tax credit.

This bill, which had not yet been voted by the committee, was carried over in committee to any special session of the 129th Legislature by joint order, S.P. 788.
