Joint Standing Committee on Education and Cultural Affairs

Commissioner of Education to be equivalent to the requirements of Maine law.

House Amendment "A" (H-189)

This amendment provides that an out-of-state secondary school that was included on the list of approved out-of-state secondary schools maintained by the Department of Education for the 2017-2018 school year continues to receive tuition payments for any student who resides in Maine in a school administrative unit that does not maintain a secondary school and who was enrolled at that out-of-state secondary school for the 2018-2019 school year. Tuition payments must continue for such a student until that student graduates or terminates enrollment.

Enacted Law Summary

Public Law 2019, chapter 114 provides that the tuition payment to an out-of-state high school that serves a student who resides in a school administrative unit that does not maintain a high school may not be withheld solely because persons regularly employed in that school do not meet the background check requirements in Maine law. The provisions apply as long as those persons are required to meet background check standards in that state determined by the Commissioner of Education to be equivalent to the requirements of Maine law. The Commissioner of Education is required to adopt routine technical rules to implement this provision.

Public Law 2019, chapter 114 also provides that an out-of-state secondary school that was included on the list of approved out-of-state secondary schools maintained by the Department of Education for the 2017-2018 school year continues to receive tuition payments for any student who resides in Maine in a school administrative unit that does not maintain a secondary school and who was enrolled at that out-of-state secondary school for the 2018-2019 school year. Tuition payments must continue for such a student until that student graduates or terminates enrollment.

Public Law 2019, chapter 114 was enacted as an emergency measure effective May 16, 2019.
