LD 414 An Act To Increase the Number of Intensive Case Managers

CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DODGE J HERBIG E	OTP-AM	H-196

This bill was carried over from the First Regular Session of the 129th Legislature on the Special Appropriations Table by joint order, H.P. 1322.

This bill directs the Department of Health and Human Services to create additional intensive case manager positions so that counties that do not have a county jail or regional jail will have an intensive case manager. An intensive case manager oversees persons who are detained by a law enforcement officer and who have intellectual disabilities or mental health conditions or have misused substances and connects them to the services for which they qualify, works with the court system to ensure that they receive due process and speedy trials and assists persons who qualify for the MaineCare program to apply for and receive MaineCare benefits and services while being detained or incarcerated, including during the implementation of diversion and reentry plans.

Committee Amendment "A" (H-196)

This amendment replaces the bill. It provides funding for four additional Intensive Case Manager positions in the Department of Health and Human Services.

This bill was again carried over, still on the Special Appropriations Table, to any special session of the 129th Legislature by joint order, S.P. 788.

LD 428 An Act To Establish Wage and Employment Parity between Adult and Child Protective Services Caseworkers in the Department of Health and Human Services

CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
RECKITTL	ONTP OTP-AM	H-139 H-549 MADIGAN C

This bill was carried over from the First Regular Session of the 129th Legislature on the Special Appropriations Table by joint order, H.P. 1322.

This bill requires the Department of Health and Human Services to provide at least one week of training to new employees engaged in adult protective services. It requires the number of supervisory positions in adult protective services and child protective services to be identical. It provides funding for the recruitment and retention of employees in Adult Protective Services Caseworker positions and Adult Protective Services Caseworker Supervisor positions with a \$5 per wage-hour stipend payment.

Committee Amendment "A" (H-139)

This amendment, which is the minority report of the committee, amends the bill to require the Department of Health and Human Services to provide at least one week of training to any employee engaged in adult protective services instead of to only new employees. It clarifies that it is the ratio of supervisors to caseworkers, instead of the number of supervisors, that must be identical in adult protective services and child protective services. The amendment also provides that Adult Protective Services Caseworker positions, Adult Protective Services Caseworker Supervisor
