### **Committee Amendment "A" (H-12)**

#### **LD 474      Resolve, To Establish a Medically Tailored Food Pilot Project**

**CARRIED OVER**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SANBORN L PIERCE T	OTP-AM	S-36

This resolve directs the Department of Health and Human Services to request the United States Department of Agriculture to waive the asset test for determining the eligibility for the federal supplemental nutrition assistance program of any household in which there is an individual who is 60 years of age or older. It also directs the department to develop a pilot project to provide home-delivered meals to individuals who are 60 years of age or older and who are homebound or at risk for readmission to a health care facility. It requires the department to report to the joint standing committee of the Legislature having jurisdiction over health and human services matters at the conclusion of the pilot project. The bill also provides funding to eliminate the waiting list for home-delivered meals to homebound individuals who are over 60 years of age who cannot prepare meals and do not have others available to prepare meals for them.

### **Committee Amendment "A" (S-36)**

This amendment removes from the resolve the provisions relating to requesting a waiver from the asset test for the federal supplemental nutrition assistance program and providing additional funds to eliminate the waiting list for home-delivered meals to homebound individuals. The amendment also clarifies that the demonstration waiver for medically tailored foods applies to individuals who are 60 years of age or older, homebound and at risk for readmission to a health care facility. It changes the date for reporting on the two-year pilot project to January 1, 2023 and clarifies that the pilot project goes forward only if the waiver is approved by the federal government. The amendment also includes an appropriations and allocations section.

This resolve was reported out of committee and then carried over to any special or regular session, or both, of the 129th Legislature on the Special Appropriations Table by joint order, H.P. 1322.
