**LD 477 An Act To Provide Relief to Federal Employees Affected by a Federal Shutdown**

**CARRIED OVER**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
JACKSON T GIDEON S	OTP-AM ONTP	S-1

This bill was carried over from the First Regular Session of the 129th Legislature on the Special Appropriations Table by joint order, H.P. 1322.

The bill establishes the Federal Shutdown Loan Guarantee Program. The program, administered by the Finance Authority of Maine, provides easier access to no-interest loans for certain federal employees in Maine affected by the partial shutdown of the Federal Government, which began December 22, 2018, by guaranteeing up to 10% of the loans eligible credit unions and financial institutions make to affected employees. Under the bill, affected employees are eligible for up to three loans, each equal to their monthly after-tax pay, up to \$5,000, less unemployment benefits. The bill prohibits interest on the loans during the shutdown and for 270 days after the shutdown ends. Following the end of the 270 days, an eligible financial institution that made a loan under the program, after a good faith effort to collect the principal amount of the loan, may apply to the authority for repayment of the uncollected amount of the loan in default. The authority is required to make reasonable efforts to recoup the amount of any payments made to eligible financial institutions from the employee who defaulted on the loan.

The bill gives the Joint Standing Committee on Appropriations and Financial Affairs authority to report out legislation to address any funding needs of the program.

**Committee Amendment "A" (S-1)**

This amendment is the majority report of the committee. This amendment:

1. Amends the definition of "shutdown" to mean a full or partial shutdown of the Federal Government between February 15, 2019, and December 31, 2019, that lasts longer than 14 days;
2. Adds language to require that any unexpended funds be returned to the unappropriated surplus of the General Fund upon the termination of the program;
3. Amends the definition of a credit union or financial institution in good standing to mean a credit union or financial institution insured by the Federal Deposit Insurance Corporation or the National Credit Union Administration;
4. Simplifies the process for a credit union or financial institution to participate in the program;
5. Extends the time period for an eligible financial institution to make a claim for a loan guarantee from between 180 and 210 days following the end of the grace period to between 180 and 300 days following the end of the grace period;
6. Requires the Treasurer of State to make loan guarantee payments to the Finance Authority of Maine, or FAME, instead of the eligible financial institution;
7. Clarifies that an eligible financial institution may not use an affected employee's creditworthiness as a factor to determine eligibility for the program;

*Joint Standing Committee on Health Coverage, Insurance and Financial Services*

- 8. Clarifies that the terms of the loan agreement under the program apply notwithstanding any other state or federal law to the contrary;
- 9. Requires that an eligible financial institution disclose that loan information may be shared with FAME;
- 10. Clarifies that loans may not be made under the program after a shutdown ends;
- 11. Requires that the transfer from the unappropriated surplus of the General Fund happen no later than 14 days following the effective date of this legislation instead of no later than February 15, 2019;
- 12. Requires that the Joint Standing Committee on Appropriations and Financial Affairs consult with the Joint Standing Committee on Health Coverage, Insurance and Financial Services before reporting out any legislation to address funding needs for the program; and
- 13. Corrects an error in the allocations section of the bill.

This bill was again carried over, still on the Special Appropriations Table, to any special session of the 129th Legislature by joint order, S.P. 788.
