Joint Standing Committee on Agriculture, Conservation and Forestry

This bill requires a commercial food producer with a retail location to provide upon request a list of ingredients of each food and beverage item offered for sale at the retail location.

Committee Amendment "A" (H-202)

This amendment, which is the minority report, strikes and replaces the bill. The amendment provides that an unpackaged food or food product that includes one of the major food allergens as identified by the federal Food and Drug Administration is considered misbranded if a person sells, offers for sale or serves the food or food product in a food establishment with a retail store unless, when the food or food product is offered for consumption, a conspicuous label or sign is placed on the food or food product, immediately next to the food or food product or immediately next to the food's or food product's listing on a menu board indicating that the food or food product contains one of the major food allergens as identified by the federal Food and Drug Administration.

This amendment was not adopted.
