ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CLAXTON N	ONTP	

This bill repeals the provision in Maine Revised Statute, Title 30-A, section 2505 that limits the recall process for elected municipal officials to cases where the official is convicted of a crime, the conduct of which occurred during the official's term of office and the victim of which is the municipality.

LD 563 An Act To Help Municipalities Prepare for Sea Level Rise

PUBLIC 153

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BLUME L BREEN C	OTP-AM ONTP	H-180

This bill amends the State's growth planning and land use laws to reflect that addressing the effects of sea level rise is a state planning and regulatory goal. The bill amends the laws regarding the State's coastal management policies to direct state, local and certain federal agencies responsible for regulating, planning, developing or managing coastal resources to conduct their activities affecting the coastal area consistent with the policy of encouraging the assessment of and planning for the effects of the rise in sea level. The bill provides that a coastal municipality or multimunicipal region that includes a coastal municipality, if the municipality or region adopts a growth management program under the State's growth planning and land use laws, may include in its comprehensive plan projections regarding sea level changes and the potential effects of the rise in sea level and may develop a coordinated plan for addressing the effects of the rise in sea level. The bill also provides that "coastal municipality" means a municipality or township in the coastal zone as identified by a coastal program administered by the Department of Marine Resources.

Committee Amendment "A" (H-180)

This amendment in the majority report of the committee. It clarifies that a municipality or multimunicipal region that is in the "coastal area" as defined in Maine Revised Statutes, Title 38, section 1802 is subject to the bill. This amendment strikes the language in the bill requiring the state, local and federal agencies responsible for regulating, planning, developing or managing coastal resources conduct their activities affecting the coastal area consistent with the policy of encouraging the assessment of and planning for the effects of the rise in sea level.
