LD 654 An Act Regarding Instruction in Civics in Secondary Schools

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
ORDWAY L DAVIS P	ONTP	

This bill clarifies that instruction in civics is part of the comprehensive program of instruction in secondary schools and also adds civics to the parameters for essential instruction and graduation requirements in the system of learning results.

LD 662 An Act To Count Study Abroad toward Secondary School Credit

CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
FECTEAU J POULIOT M	OTP-AM	H-54

This bill requires school administrative units to award course credit to students who have studied abroad by awarding the student elective credit based on hours of instruction received abroad or by awarding credit hours in the relevant content area if the student receives third-party certification or if the student passes a summative assessment.

Committee Amendment "A" (H-54)

This amendment amends the bill by requiring school boards to adopt a policy on awarding credit to students who have studied abroad. The school board may include in the policy that the school administrative unit award credit as elective credit, through third-party certification or based on a summative assessment.

This amendment also requires the Department of Education to issue an administrative letter to school boards and superintendents addressing the benefits of proactive communication between the school administrative unit and parents of a student and the student regarding the credit options available to the student prior to the student's participation in the study abroad program.

This amendment also incorporates a fiscal note. The fiscal note identifies the requirement that local school boards adopt a policy on awarding credit to students who have studied abroad as a potential unfunded state mandate. The committee reviewed the fiscal note and determined that requiring a school board to adopt a policy on awarding credit to students who have studied abroad is not a mandate. Because school boards have a duty to adopt policies that govern school administrative units pursuant to the Maine Revised Statutes, Title 20-A, section 1001, subsection 1-A, and because Title 20-A requires school administrative units to provide students with opportunities for learning in multiple pathways, the requirement that local school boards adopt a policy on awarding credit to students who have studied abroad does not require an expansion or modification of activities so as to necessitate additional expenditures.

This bill was reported out of committee and then carried over to any special or regular session, or both, of the 129th Legislature on the Special Appropriations Table by joint order, H.P. 1322.
