## LEGISLATIVE DIGEST OF BILL SUMMARIES AND ENACTED LAWS

This *Legislative Digest of Bill Summaries and Enacted Laws* contains summaries of all LDs and adopted amendments and all laws enacted or finally passed during the First Regular Session of the 129<sup>th</sup> Maine Legislature.

The *Digest* is arranged alphabetically by committee and within each committee by Legislative Document (LD) number. The committee report(s), prime sponsor and lead co-sponsor(s), if designated, are listed below each LD title. All adopted amendments are summarized and listed by paper number. A subject index is included with each committee. An appendix provides a summary of relevant session statistics.

Final action on each LD is noted to the right of the LD title. The following describes the various final actions.

maintain an Internet-based application for free or reduced-price meals and a one-time General Fund appropriation of \$500,000 in fiscal year 2019-20 to eligible school administrative units that start or expand alternative breakfast delivery services that provide breakfast after the start of the school day.

This amendment also requires the State Controller to transfer \$650,000 to the unappropriated surplus of the General Fund no later than June 30, 2020 and \$150,000 no later than June 30, 2021 from the Medical Use of Marijuana Fund, established in the Maine Revised Statutes, Title 22, section 2430.

**Enacted Law Summary**

Public Law 2019, chapter 480 requires the department to develop and make available to public schools a specific Internet-based application for the National School Lunch Program as well as for the School Breakfast Program. A public school that implements the Internet-based application process is required to continue to distribute paper applications for school meals to all students.

The law requires the Department of Education to contract for the development and implementation of an Internet-based application for free or reduced-price meals under the National School Lunch Program and the School Breakfast Program. The law provides that a public school implementing the Internet-based application is solely responsible for processing that school's online applications.

The law also provides ongoing General Fund appropriations of \$150,000 per year beginning in fiscal year 2019-20 for the cost to develop and maintain an Internet-based application for free or reduced-price meals and a one-time General Fund appropriation of \$500,000 in fiscal year 2019-20 to eligible school administrative units that start or expand alternative breakfast delivery services that provide breakfast after the start of the school day.

The law also requires the State Controller to transfer \$650,000 to the unappropriated surplus of the General Fund no later than June 30, 2020 and \$150,000 no later than June 30, 2021 from the Medical Use of Marijuana Fund, established in the Maine Revised Statutes, Title 22, section 2430.
