CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
WARREN C BELLOWS S		

This bill was carried over in committee from the First Regular Session of the 129th Legislature by joint order, H.P. 1322.

This bill establishes four crisis intervention centers regionally throughout the State that will be operated and maintained by the Department of Health and Human Services. It requires the crisis intervention centers to provide treatment 24 hours a day, seven days a week and to provide sufficient staffing. It provides that the Department of Health and Human Services must adopt rules that include the certification of the crisis intervention centers; the location of the crisis intervention centers to ensure regional accessibility throughout the State; admission and discharge standards; requirements for notice of a person's admission; availability of and patients' access to treatment; the staffing model, with specific descriptions of staffing levels, roles and responsibilities; and patient rights protections; and that, to the extent possible, the rules must be consistent with the Maine Revised Statutes, Title 5, chapter 511; Title 34-B, chapter 1, subchapter 8; and Title 34-B, chapter 3, subchapter 4.

This bill, which had not yet been voted by the committee, was carried over in committee to any special session of the 129th Legislature by joint order, S.P. 788.
