LD 815 **An Act To Regulate the Issuance of Short-term, Limited-duration Health Insurance Policies in the State** **ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
JACKSON T GIDEON S	ONTP	

This bill limits the issuance of short-term, limited-duration individual health insurance policies in this State to policies with a term that is three months or less and further restricts an insurer or the insurer's agent or broker from issuing a short-term, limited-duration policy that replaces a prior short-term, limited-duration policy if the combined term of the new policy and all prior successive policies exceeds three months in any 12-month period.

The bill also requires that insurers make specific written disclosures related to the terms and benefits of the policies in at least 14-point type, including the types of benefits and consumer protections that are and are not included in the policies.

The requirements of the bill apply to policies issued or renewed in this State on or after January 1, 2020.

See related bill, LD 1260.

This bill requires the Department of Health and Human Services to provide coverage to a MaineCare member for abortion services. The bill provides that abortion services that are not approved Medicaid services must be funded by the State. The bill also directs the Department of Health and Human Services to adopt rules no later than March 1, 2020.

The bill also requires that health insurance carriers that provide coverage for maternity services also provide coverage for abortion services.

The bill applies this requirement to all health insurance policies and contracts issued or renewed on or after January 1, 2020, except for those religious employers granted an exclusion of coverage. The bill authorizes the Superintendent of Insurance to grant an exemption from the requirements if enforcement of the requirements would adversely affect the allocation of federal funds to the State.

Committee Amendment "A" (H-210)

This amendment is the majority report of the committee. The amendment adds language exempting the provisions of the bill from the provisions of the Maine Revised Statutes, Title 24-A, section 2752. The amendment reallocates the section of the bill requiring the Department of Health and Human Services to pay for abortion services for MaineCare members and adds language to authorize the department to adopt rules using the emergency rule-making provisions of the Maine Administrative Procedure Act.
