LD 816 An Act To Implement the National Popular Vote for President of the United States

Died Between Houses

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
JACKSON T MARTIN J	ONTP OTP-AM	S-44

This bill proposes to adopt an interstate compact to elect the President of the United States by national popular vote. Under the compact, the presidential candidate who receives the most popular votes in all 50 states and the District of Columbia is elected President. Under the compact, all of a state's electoral votes would be awarded to the presidential candidate who receives the most popular votes in all 50 states and the District of Columbia. This bill takes effect only if enacted by states possessing a majority of the electoral votes, that is, enough electoral votes to elect a President, which is 270 of 538. See also LD 418.

Committee Amendment "A" (S-44)

This amendment, which is the minority report of the committee, clarifies that Maine's presidential electors are not obligated to cast their votes in favor of the presidential candidate and vice presidential candidate that are declared the winners of the national popular vote until the interstate compact to elect the President of the United States by national popular vote takes effect as described in the bill.
