GOVERNOR

This bill requires institutions of higher education in the State to designate an existing staff member to serve as a liaison for homeless youth who are enrolled in that institution of higher education. The bill also requires institutions of higher education to give homeless youth priority for on-campus housing, develop a plan to provide homeless youth housing during school breaks and allow homeless youth who are enrolled part-time to access on-campus housing during the homeless youth's first year of school. The bill also expands the tuition waiver for state postsecondary educational institutions to include tuition waivers for homeless youth.

Committee Amendment "A" (H-321)

This amendment, which strikes and replaces the bill, does the following.

1. It defines a homeless student as a student under 25 years of age who has been verified, at any time during the 24 months immediately preceding the student's admission to or while enrolled in a state postsecondary educational institution, as a homeless child or youth as defined in the federal McKinney-Vento Homeless Education Assistance Improvements Act of 2001.

2. It allows each state postsecondary educational institution to designate a staff member as the homeless student liaison.

3. It authorizes each state postsecondary educational institution to award a homeless student a financial assistance grant, which is limited to the amount of the cost of tuition less all other financial aid received that a student is not required to repay. The availability of the grant and the amount of the grant is also subject to the amounts appropriated by the Legislature.
