**LD 936**      **Resolve, Establishing a Commission To Study the Existing and Potential Effects of Freshwater and Marine Debris on Maine's Freshwater and Coastal Habitats and Species**      **CARRIED OVER**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DEVIN M	OTP-AM ONTP	

This resolve was carried over in committee from the First Regular Session of the 129th Legislature by joint order, H.P. 1322.

This resolve establishes the Commission To Study the Effects of Freshwater and Marine Debris, which is a 13-member commission tasked with studying freshwater and marine debris and how it has affected or potentially will affect Maine's freshwater and ocean and coastal ecosystems, habitats and species. The commission must submit a report, including suggested legislation, to the joint standing committee of the Legislature having jurisdiction over marine resources matters no later than December 4, 2019.

**Committee Amendment "A" (H-733)**

This amendment, which is the majority report of the committee, replaces the resolve, removes the emergency preamble and clause and changes the title. It requires the Department of Marine Resources to provide the joint standing committee of the Legislature having jurisdiction over marine resources matters with a report by February 1, 2021, detailing the status of action items identified in the 2019 Gulf of Maine Marine Debris Action Plan published by the National Oceanic and Atmospheric Administration Marine Debris Program. It requires the department to evaluate whether the activities in the action plan are sufficient to reduce marine debris in coastal waters and it also allows the department to make recommendations to reduce marine debris in coastal waters. The amendment authorizes the joint standing committee of the Legislature having jurisdiction over marine resources matters to report out a bill to the First Regular Session of the 130th Legislature based upon the report.

This resolve was carried over in the Senate to any special session of the 129th Legislature by joint order, S.P. 788.
