# LD 1023 An Act Regarding the Definition of "Serious Bodily Injury" in the Maine Criminal Code

**INDEF PP** 

Sponsor(s)	Committee Report	Amendments Adopted
CARPENTER M	OTP-AM	S-116

This bill was passed to be enacted during the First Regular Session and then recalled from the Governor's desk. The bill was carried over in the Senate to the Second Regular Session of the 129th Legislature. During the Second Regular Session, the bill and its accompanying papers was acted upon without reference to committee and indefinitely postponed.

This bill amends the definition of "serious bodily injury" in the Maine Criminal Code by changing "substantial impairment of the function of any bodily member or organ, or extended convalescence necessary for recovery of physical health" to "substantial impairment of the health or function of any part of the body or that causes extended convalescence necessary for recovery of physical or mental health." The bill also makes grammatical changes.

#### Committee Amendment "A" (S-116)

This amendment strikes and replaces the bill. The amendment amends the definition of "serious bodily injury" in the Maine Criminal Code by clarifying the language regarding injury that leads to extended convalescence. The amendment also amends the law regarding the crime of aggravated assault to reflect the changes to the definition of "serious bodily injury" contained in the amendment. The amendment adds an appropriations and allocations section.
