and other models of comprehensive four-year career and technical education high schools around the State and on a national level. The task force is also required to examine increasing crosswalks and intersections between technical and occupational knowledge and curricula and academic standards in order to promote multiple pathways for awarding content area credit to students enrolled in career and technical education programs.

This amendment also requires the task force to seek funding contributions to fully fund the costs of the task force. If sufficient funding is not received within 30 days after the effective date of the resolve, no meetings are authorized and no expenses of any kind may be incurred or reimbursed.

### **Senate Amendment "A" To Committee Amendment "A" (S-311)**

This amendment increases the membership of the task force from 14 to 16 members by adding one additional member of the House of Representatives and one additional member of the Senate and specifies that the House and Senate appointments must include a member from each of the two parties holding the largest number of seats in the Legislature, which conforms with Joint Rule 353.

### **LD 1043 An Act To Establish Universal Public Preschool Programs**

**CARRIED OVER**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
KORNFIELD V MILLETT R	OTP-AM	H-256

This bill specifies that it is the goal of the State to ensure that public preschool programs for children four years of age are offered by all school administrative units by the 2020-2021 school year. In order to achieve that goal, this bill requires the Department of Education to develop recommendations and report back to the Joint Standing Committee on Education and Cultural Affairs by January 1, 2020. Recommendations must include:

1. Standards for public preschool programs;
2. A process for approval and certification of programs not operated by a school administrative unit, including, but not limited to, a Head Start program or other program affiliated with the school administrative unit; and
3. Funding for public preschool programs.

The Joint Standing Committee on Education and Cultural Affairs may report out legislation to the Second Regular Session of the 129th Legislature to implement the recommendations in the report.

### **Committee Amendment "A" (H-256)**

This amendment provides that it is the goal of the State to provide adequate start-up funding to ensure that public preschool programs for children four years of age are offered by all school administrative units by the 2023-2024 school year and requires the Department of Education to include in its funding recommendations funding options to encourage more public preschool programs.

This bill was reported out of committee and then carried over to any special or regular session, or both, of the 129th Legislature on the Special Appropriations Table by joint order, H.P. 1322.

The substance of this bill, as amended, was included in LD 1001, which was enacted as Public Law 2019, chapter 343.
