LD 1073 Resolve, To Implement an Intensive Drug Treatment Court Pilot Project in the Midcoast

CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DEVIN M DOW D	ONTP OTP-AM	H-475

This resolve was carried over from the First Regular Session of the 129th Legislature on the Special Appropriations Table by joint order, H.P. 1322.

This resolve establishes an intensive drug treatment court two-year pilot project in the midcoast area of the State to be operational no later than November 1, 2019. The pilot project will serve 10 participants who meet the requirements for participation in drug court programs. The support services provided by the Department of Health and Human Services under the pilot project are more intensive than those provided to current participants in drug court programs. The department is required to provide an interim report on implementation and a final report that includes the results of an independent evaluation of the project.

Committee Amendment "A" (H-475)

This amendment is the minority report of the committee. It revises the number of participants in the pilot project from 10 to 25. The amendment also replaces the appropriations and allocations section.

This resolve was again carried over, still on the Special Appropriations Table, to any special session of the 129th Legislature by joint order, S.P. 788.
