## *Joint Standing Committee on Labor and Housing*

This bill requires an employer to register with and use the federal immigration verification system, currently known as the E-Verify program, to determine the work eligibility status of new employees physically performing services within the State.

### **LD 1095    An Act Regarding Workers' Compensation Liens**

**ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BELLOWS S SYLVESTER M	ONTP	

When a worker suffers an injury or death that is eligible for workers' compensation benefits under the Maine Workers' Compensation Act of 1992 and that is sustained under circumstances that create legal liability for a third person, the injured employee may either claim workers' compensation benefits or seek damages in a civil suit against that third person to recover damages. Under current law, if the injured employee chooses to claim workers' compensation benefits from the employer, the employer has a lien on any damages subsequently recovered against that third person in the civil action for the value of workers' compensation benefits paid.

This bill limits the amount of the lien of the employer of the injured or deceased employee to only the value of damages received by or on behalf of the injured or deceased employee that are attributable to compensation for past or future medical treatment and loss of income or earning capacity.

### **LD 1098    An Act To Help Small Employers by Making the Minimum Wage Increase More Gradual in Nonurban Areas**

**Accepted Majority  
(ONTP) Report**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
KEIM L STEWART T	ONTP OTP-AM	

This bill creates an alternative minimum hourly wage that applies to certain designated nonurban areas starting on January 1, 2020. Under this bill the minimum hourly wage rate for those areas is \$11 per hour and increases by 50¢ each January 1st until it reaches \$12 per hour on January 1, 2022. The minimum hourly wage stays the same as in current law for Cumberland County, except for the towns of Baldwin, Bridgton, Harrison and Naples.

The bill also freezes any scheduled increase in the current minimum wage or the new alternative minimum wage if there is in effect an extended benefit period for unemployment compensation benefits, as determined by the Commissioner of Labor. The scheduled increase or increases will resume once there is no longer an extended benefit period in effect as of January 1st of a given year. It also delays the cost-of-living adjustment for the current minimum wage to January 1, 2024, changes the calculation to be the average cost-of-living increase over the prior 3 years and changes the timing of the cost-of-living adjustment to be every 3 years instead of every year.

It also requires the Department of Labor to submit an annual report analyzing job creation and job loss trends in urban and nonurban areas since the initiation of minimum wage increases established by Initiated Bill 2015, chapter 2, section 1.

#### **Committee Amendment "A" (S-40)**

This amendment, which is the minority report of the committee, adds an appropriations and allocations section.
