DESCHAMBAULT S MORALES V	OTP-AM ONTP	S-233

This bill requires the Technical Building Codes and Standards Board to amend the Maine Uniform Building and Energy Code to require that commercial buildings built or renovated on or after January 1, 2020 with occupancy exceeding 200 individuals have an operational automated external defibrillator on the premises. The bill also requires that retail pharmacies, rural health center pharmacies and free clinic pharmacies have an automated external defibrillator on the premises, and that an individual trained in the use of the defibrillator be present at all times the pharmacy is open to the public.

**Committee Amendment "A" (S-233)**

This amendment is the majority report of the committee. The amendment requires that required automated external defibrillators be clearly marked. The amendment removes from the requirements for pharmacies that an individual trained in the use of the defibrillator be present at all times the pharmacy is open to the public.

This bill was originally reported out of committee but then recommitted. It was then carried over to any special or regular session, or both, of the 129th Legislature by joint order, H.P. 1322.
