## Joint Standing Committee on Health and Human Services

This amendment incorporates a fiscal note.

Public Law 2019, chapter 343 (the biennial budget) included funding for sexual assault and domestic violence prevention and victim services at the same level as this bill but only for two years.

This bill was reported out of committee and then carried over to any special or regular session, or both, of the 129th Legislature on the Special Appropriations Table by joint order, H.P. 1322.

### **LD 1178**      **An Act To Address the Needs of Children with Intellectual Disabilities and Autism Spectrum Disorder**      **CARRIED OVER**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
STOVER H	OTP-AM	H-410

This bill requires the Department of Health and Human Services to apply for a home and community-based waiver from the United States Department of Health and Human Services, Centers for Medicare and Medicaid Services to provide services to children up to 21 years of age with intellectual disabilities or autism spectrum disorder. Services must be provided according to a care plan process that requires participation by the child's family. The care plan must address safety as the highest priority. The care plan must address the child's developmental, mental health, emotional, social, educational and physical needs in the least restrictive environment. Services must be clinically appropriate, be provided in a location as close to the child's home as possible, be provided in a timely manner and promote early identification and intervention. The department is directed to apply for the waiver no later than January 1, 2020. Upon approval of the waiver, the department is directed to adopt rules within six months. The rules are major substantive rules.

#### **Committee Amendment "A" (H-410)**

This amendment removes the requirement for the Department of Health and Human Services to request a waiver pursuant to Section 1915(c) of the United States Social Security Act for services to children with intellectual disabilities or autism spectrum disorder and allows the department to apply for any waiver or state plan amendment that would accomplish this purpose. The amendment also adds an appropriations and allocations section.

This bill was reported out of committee and then carried over to any special or regular session, or both, of the 129th Legislature on the Special Appropriations Table by joint order, H.P. 1322.
