Joint Standing Committee on Veterans and Legal Affairs

entirety.

4. It changes the provision in current law that states that distributions of net slot machine revenue from the casino located in Oxford County to the Penobscot Nation and the Passamaquoddy Tribe revert to the operator if one or both tribes operate or receive distributions from a newly licensed casino. It provides that the distribution of that slot machine revenue would instead be deposited into the General Fund if either the Penobscot Nation or the Passamaquoddy Tribe operated or received distributions from a newly licensed casino.

5. It establishes a distribution rate of 25% of net slot machine income and 16% of net table game income for a casino operator that is a joint tribal entity. The slot machine income is used to fund education for kindergarten to grade 12 and the table game income is deposited to the General Fund.

This bill, which had not yet been voted by the committee was carried over in committee for the second time to any special session of the 129th Legislature by joint order, S.P. 788.

LD 1187 An Act To Apply the Same Auditing Standards to All Legislative Candidates

CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
RISEMAN W CHENETTE J	OTP-AM ONTP	H-313

This bill was reported out of committee and then carried over from the First Regular Session of the 129th Legislature on the Special Appropriations Table by joint order, H.P. 1322.

This bill directs the Commission on Governmental Ethics and Election Practices to conduct random audits of political action committees that are required to file campaign finance reports with the commission and candidates for state office, including candidates for Governor, State Senator, State Representative and presidential elector. The bill directs the commission to adopt rules to implement this requirement. The rules must direct the commission to audit an equal percentage of candidates for state office who are certified as Maine Clean Election Act candidates, candidates for state office who are not certified as Maine Clean Election Act candidates and political action committees. The rules must also establish standard auditing requirements to be applied to each candidate and political action committee.

Committee Amendment "A" (H-313)

This amendment, which is the majority report of the committee, strikes and replaces the bill and its title. Under current practice, the Commission on Governmental Ethics and Election Practices uses funding from the Maine Clean Election Fund established in the Maine Revised Statutes, Title 21-A, section 1124 to contract with independent auditors to conduct random post-election audits of 20% of the legislative candidates who are certified as Maine Clean Election Act candidates. The amendment provides an ongoing General Fund appropriation to the Commission on Governmental Ethics and Election Practices to contract with independent auditors to conduct random post-election audits of 20% of legislative candidates who are not certified as Maine Clean Election Act candidates.

This bill was again carried over, still on the Special Appropriations Table, to any special session of the 129th Legislature by joint order, S.P. 788.
