Joint Standing Committee on Energy, Utilities and Technology

Public Law 2019, chapter 127 provides access by municipalities to facilities located in the municipal right-of-way in the interest of public health, safety and welfare. The law exempts a municipality from expenses assessed for make-ready work to accommodate the municipality's attaching its facilities to shared-used utility poles for a governmental purpose consistent with the police power of the municipality or for the purpose of providing broadband service to an unserved or underserved area.

LD 1198 An Act To Ensure Transparency and Participation in Maine Water Districts

Accepted Majority (ONTP) Report

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CHIPMAN B MARTIN D	ONTP OTP	

This bill removes from the laws governing water districts and standard water districts language referencing the appointment of standard district trustees pursuant to standard district charters. It amends the law regarding appointments of trustees to provide that, if sufficient and appropriate nominations for the election of trustees have not occurred, trustees may be appointed.

LD 1206 An Act Regarding Utility Poles in Public Rights-of-way

PUBLIC 128

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BEEBE-CENTER P	OTP-AM	H-169

This bill provides specific authority to a municipality or other applicable licensing authority to manage public rights-of-way, to issue licenses or permits for the use of those rights-of-way by utilities such as wireless telecommunications service providers and cable television systems and to charge a fee for the license or permit. A municipality or applicable licensing authority may order a utility to alter, remove or relocate its facilities. A utility that fails to comply with a written order of a municipality to alter, remove or relocate the utility's facilities is subject to a fine of up to \$1,000 per day for each day the utility remains in violation of the order of the municipality.

Committee Amendment "A" (H-169)

This amendment replaces the bill. The amendment adds language to the law governing the safety and convenience of highways, town ways and streets to specify that utility poles and facilities are not defects in the public way, in order to relieve municipal officials from liability for utility poles and facilities in the public way. The amendment also directs the Public Utilities Commission to report to the Joint Standing Committee on Energy, Utilities and Technology in January 2020 regarding actions the commission has taken to address issues related to abandoned utility poles and any associated facilities in the public right-of-way.
