Joint Standing Committee on Criminal Justice and Public Safety

This bill was passed to be enacted during the First Regular Session and then recalled from the Governor's desk and recommitted to committee. This bill was carried over in committee from the First Regular Session of the 129th Legislature by joint order, H.P. 1322.

This bill requires the Technical Building Codes and Standards Board to amend the Maine Uniform Building and Energy Code to require that commercial buildings built or renovated on or after January 1, 2020, with occupancy exceeding 200 individuals have an operational automated external defibrillator on the premises. The bill also requires that retail pharmacies, rural health center pharmacies and free clinic pharmacies have an automated external defibrillator on the premises, and that an individual trained in the use of the defibrillator be present at all times the pharmacy is open to the public.

Committee Amendment "A" (S-233)

This amendment is the majority report of the committee. The amendment requires that required automated external defibrillators be clearly marked. The amendment removes from the requirements for pharmacies that an individual trained in the use of the defibrillator be present at all times the pharmacy is open to the public. This amendment was adopted in the First Regular Session but removed from the bill when it was recommitted to committee at the end of the First Regular Session.

This bill, which had been voted (OTP-A/ONTP) but not yet reported out of committee, was carried over in committee to any special session of the 129th Legislature by joint order, S.P. 788.

LD 1249 An Act To Prohibit Infringing on the Rights of Association of Dependent Adults

PUBLIC 543

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
VEROWA	OTP-AM	H-546

This bill was passed to be enacted by the Legislature and then held by the Governor at the end of the First Regular Session of the 129th Legislature. It became law without her signature at the beginning of the Second Regular Session.

This bill prohibits abuse and isolation of elder persons and dependent adults. Abuse or isolation of an elder person or dependent adult is a Class C crime. A person commits the crime if the person has or has assumed responsibility for the care, custody or control of an elder person or a dependent adult and subjects the elder person or dependent adult to isolation, neglect, physical abuse, sexual abuse, emotional abuse or financial abuse, including threats of abuse. The new crime is allocated to the chapter of the Maine Criminal Code that establishes crimes against the person.

The bill defines "elder person" to mean a person who is at least 60 years of age. The bill also defines "isolate" to mean to restrict personal rights of association retained by the elder person or dependent adult, including, but not limited to, the right to receive visitors, telephone calls and personal mail, unless the restriction of personal rights is authorized by court order.

When a person is convicted of the crime of abuse or isolation of an elder person or dependent adult, the court may require that the person convicted of the crime participate in appropriate counseling at the convicted person's
