Joint Standing Committee on Transportation

LD 1258 An Act To Increase Access to Transportation for Workforce and Other Essential Transportation Needs

CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SHEATS B CHIPMAN B	OTP-AM	H-453

This bill requires the quinquennial locally coordinated plan for regional transit submitted by each regional public transportation agency to focus on meeting workforce needs.

This bill also provides funding to the Department of Transportation to support and expand local volunteer driver networks; to create a pilot purchase of service program in a selected region of the State to provide senior citizens and persons with disabilities vouchers to purchase their own transportation services; and for regional transportation providers throughout the State, split evenly between rural and urban areas, to expand their services, including addressing regional workforce needs.

Committee Amendment "A" (H-453)

This amendment provides funding to the Department of Transportation from the General Fund instead of the Highway Fund to support and expand local volunteer driver networks and for regional transportation providers through the State to expand their services. Resources must be distributed evenly between urban and rural areas.

This bill was reported out of committee and then carried over to any special or regular session, or both, of the 129th Legislature on the Special Appropriations Table by joint order, H.P. 1322.

LD 1266 An Act To Create Transportation Corridor Districts for the Purpose of Funding Transportation and Transit Services

PUBLIC 242

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CHIPMAN B BRYANT M	OTP	

This bill provides for the formation of transportation corridor districts within the current law relating to transit districts and regional transportation corporations. The bill provides that a municipality may, by itself or in cooperation with one or more other municipalities, form a transportation corridor district for the purposes of providing an environment to fund public transportation and serve accessibility needs, including passenger rail, ferry, bus, bicycle and pedestrian facilities and routes, and promoting economic development at transportation station areas and in downtown areas.

The bill requires a municipality or group of municipalities to select the borders of the transportation corridor district. The bill requires that the formation of a transportation corridor district be approved by voter referendum in each participating municipality. The bill authorizes a district's board of directors, with approval from all municipalities in the district, to change the borders of the district. The bill also provides that a transportation corridor district, if approved by voter referendum in each municipality participating in the district, may borrow money temporarily and issue its negotiable notes for that money and issue securities of the district.

Enacted Law Summary

Public Law 2019, chapter 242 provides for the formation of transportation corridor districts within the current law relating to transit districts and regional transportation corporations. It provides that a municipality may, by itself or in cooperation with one or more other municipalities, form a transportation corridor district for the purposes of providing an environment to fund public transportation and serve accessibility needs, including passenger rail, ferry,
