Joint Standing Committee on Transportation

bus, bicycle and pedestrian facilities and routes, and promoting economic development at transportation station areas and in downtown areas.

The law requires a municipality or group of municipalities to select the borders of the transportation corridor district. It requires that the formation of a transportation corridor district be approved by voter referendum in each participating municipality. The law authorizes a district's board of directors, with approval from all municipalities in the district, to change the borders of the district. It also provides that a transportation corridor district, if approved by voter referendum in each municipality participating in the district, may borrow money temporarily and issue its negotiable notes for that money and issue securities of the district.

LD 1269 An Act To Update the Laws Governing Child Safety Seats and Seat Belts

PUBLIC 299

Committee Report
OTP-AM

Amendments Adopted
S-217

This bill amends the laws governing the use of seat belts and child restraint systems in motor vehicles. It defines several types of child restraint systems and establishes requirements for the use of child restraint systems based on a child's age, height and weight. It increases the fines for violations of the law. It repeals a provision in current law making the nonuse of seat belts or the failure to secure a child not admissible in evidence in a civil or criminal trial involving a motor vehicle accident.

Committee Amendment "A" (S-217)

This amendment makes the following changes to the bill.

1. It defines "convertible child restraint system" and allows a child under 2 years of age properly secured in a convertible child restraint system to ride in a forward-facing position if the child exceeds the manufacturer recommended weight limit for a rear-facing position.
2. It retains fines for the violation of seat belt laws at current statutory levels.
3. It removes the changes in the bill regarding the inadmissibility of evidence for failure to properly secure a child.

Enacted Law Summary

Public Law 2019, chapter 299 amends the laws governing the use of seat belts and child restraint systems in motor vehicles. It defines several types of child restraint systems and establishes requirements for the use of child restraint systems based on a child's age, height and weight.
