Amendments Adopted

H-400

This bill removes the requirement in current law that the criteria to establish the order of layoff and recall of teachers must include the teacher's effectiveness rating as a factor. It also amends the provisions in current law governing the use of teacher effectiveness ratings.

Committee Amendment "A" (H-400)

This amendment strikes and replaces the bill and provides that, in any negotiated agreement, the criteria negotiated by the school board and the bargaining agent to establish the order of layoff and recall may include the teacher's effectiveness rating as a factor.

This amendment also provides that, subject to appeal or grievance under the terms of an applicable collective bargaining agreement, receipt of summative effectiveness ratings indicating that a teacher is ineffective for two consecutive years constitutes just cause for nonrenewal of a teacher's contract as long as there is a reasonable basis in fact for the effectiveness ratings, the evaluation process leading to the effectiveness ratings has been performed in a manner reasonably consistent with the approved system and department rules and the effectiveness ratings are not the result of bad faith.

This amendment also provides that there is no right to an appeal or grievance of a summative effectiveness rating unless the summative effectiveness rating is used by the employer as a basis for a disciplinary action and provides that a teacher has the opportunity to provide a written response to any summative effectiveness rating issued to the teacher.

Enacted Law Summary

Public Law 2019, chapter 297 makes the following changes the law regarding the use of a teacher's effectiveness rating.
