Joint Standing Committee on Health and Human Services

LD 1404 Resolve, To Provide Support Services and Funds To Prevent Homelessness

CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BRENNAN M CHIPMAN B	OTP-AM ONTP	H-368

This resolve requires the Department of Health and Human Services to apply to the United States Department of Health and Human Services, Centers for Medicare and Medicaid Services for a waiver from the requirements of federal law and regulations to allow Maine to provide Medicaid-funded direct support services to individuals experiencing homelessness. In addition, the bill provides ongoing funds to the Housing First Assistance Program established within the Maine State Housing Authority to be distributed to community action agencies to assist individuals on the verge of becoming homeless.

Committee Amendment "A" (H-368)

This amendment, which is the majority report of the committee, clarifies that the Department of Health and Human Services is required to examine opportunities to provide home and community-based services to individuals experiencing homelessness using a state plan amendment option under Section 1915(i) of the federal Social Security Act or any other Medicaid-funded mechanism that may be appropriate. It requires the department to report its progress in examining options and submitting a waiver to the Joint Standing Committee on Health and Human Services. The amendment also corrects the appropriations and allocations section to reflect funding from the Temporary Housing Assistance Fund and changes the initiative language to be more consistent with the statute governing the fund.

This resolve was reported out of committee and then carried over to any special or regular session, or both, of the 129th Legislature on the Special Appropriations Table by joint order, H.P. 1322.

LD 1417 An Act To Expand Access to Head Start To Assist Opioid-affected and Other At-risk Families

CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MCCREIGHT J SANBORN L	OTP-AM ONTP	H-265

This bill establishes eligibility standards for the Head Start program that allow participation for a child up to 5 years of age who is or whose family is affected by substance use disorder or whose family's income is at or below 185% of the federal poverty level. This bill also provides appropriations to be distributed to nontribal Head Start program service providers proportionately in an amount based upon the percentage of children up to 5 years of age who live at or below the federal poverty level in each provider's service area compared to the percentage of children up to 5 years of age who live at or below the federal poverty level statewide, with preference given to children who are at risk or whose families are at risk.

Committee Amendment "A" (H-265)

This amendment, which is the majority report of the committee, clarifies that eligibility for the Head Start program is limited to children who have not met the minimum age requirement to enroll in a school administrative unit in accordance with the Maine Revised Statutes, Title 20-A, section 5201, subsection 2.

This bill was reported out of committee and then carried over to any special or regular session, or both, of the 129th Legislature on the Special Appropriations Table by joint order, H.P. 1322.
