LEGISLATIVE DIGEST OF BILL SUMMARIES AND ENACTED LAWS

This *Legislative Digest of Bill Summaries and Enacted Laws* contains summaries of all LDs and adopted amendments and all laws enacted or finally passed during the First Regular Session of the 129th Maine Legislature.

The *Digest* is arranged alphabetically by committee and within each committee by Legislative Document (LD) number. The committee report(s), prime sponsor and lead co-sponsor(s), if designated, are listed below each LD title. All adopted amendments are summarized and listed by paper number. A subject index is included with each committee. An appendix provides a summary of relevant session statistics.

Final action on each LD is noted to the right of the LD title. The following describes the various final actions.

to which perfluoroalkyl and polyfluoroalkyl substances, or PFAS, have been intentionally introduced upon a determination by the department that a safer alternative to the intentionally introduced PFAS is available, except that such prohibition may not take effect until January 1, 2022 or two years following the department's determination that a safer alternative is available, whichever is later. It also provides an exemption from these prohibitions for certain smaller manufacturers.

The enacted law also enacts a new chapter of law to regulate the use of additional toxic chemicals in food packaging. That new chapter is modeled after the toxic chemicals in children's products law in the Maine Revised Statutes, Title 38, chapter 16-D and incorporates the definitions and criteria from that law into the new chapter, as adapted for application to food packaging.

 Sponsor(s)

This bill, which was reported by the Joint Standing Committee on Environment and Natural Resources pursuant to Joint Order 2019, House Paper 883 and then referred back to the committee for processing in the normal course, implements the Department of Environmental Protection's recommendations regarding the State's cellular telephone recycling law as included in the department's annual report on the State's product stewardship programs.

Specifically, the bill amends the State's cellular telephone recycling law to remove the requirement that cellular telephone service providers submit annual reports to the department regarding the collection and disposal, reuse or recycling of used cellular telephones.

Enacted Law Summary

Public Law 2019, chapter 151 amends the State's cellular telephone recycling law to remove the requirement that cellular telephone service providers submit annual reports to the Department of Environmental Protection regarding the collection and disposal, reuse or recycling of used cellular telephones.
