It provides that failure to comply with the provision setting out the online notification process is not a violation of any law or rule of the department but that nothing in the provision relieves a person of the person's responsibilities under any law or rule regulating the ownership or operation of a snowmobile in the State.

It also directs the Director of the Office of Tourism within the Department of Economic and Community Development to collaborate, within existing budgeted resources, with the Commissioner of Inland Fisheries and Wildlife in the production and distribution through regional state tourism organizations and a statewide organization with an interest in snowmobiling of promotional materials relating to seasonal nonresident snowmobile registration and general snowmobile recreational opportunities using the information collected by the notification process.
