Amendments Adopted

This bill authorizes the Department of Public Safety, Gambling Control Board to issue licenses to operate sports pools to commercial tracks and off-track betting facilities in the State. Under the bill, wagers on sports events must be made in person at a sports wagering lounge and may not be transmitted over the Internet from a remote location.

Sports pool operators may accept wagers on all professional or amateur sports events except high school sports events and other events in which a majority of the participants are minors. Sports pool operators may not accept wagers from persons whose identity they cannot verify; persons under 18 years of age; the director, officers and employees of the sports pool operator and relatives living in the same household as those persons; athletes, coaches, referees and umpires participating in the sports event; other interested persons including persons who own more than 50% of the legal or beneficial interest in any team if the sports event upon which the wager is placed is overseen by the person's league or sports governing body; persons with confidential information that could affect the outcome of the sports event; persons who are on a list of persons who are to be excluded or removed from a sports wagering lounge established by the board, including persons who voluntarily request to be excluded; and persons who make wagers on behalf of another person.

The bill requires the board to adopt rules regulating the operation of sports pools, including rules restricting the types of wagers permitted, establishing the maximum wagers that may be accepted from any one person on a single sports event, regulating the design and minimum security standards for in-person sports wagering lounges located within a commercial track or off-track betting facility and establishing record-keeping, reporting and auditing requirements.

The bill further requires that 18% of net sports pool income be transferred to the board for distribution as follows: 1% for administrative expenses of the board; 2% for primary and secondary school education in the State; 2% for the Maine Community College System's scholarships program; 2% to the Agricultural Fair Support Fund; 2% to the fund used to supplement harness racing purses; 2% to the Fund to Encourage Racing at Maine's Commercial Tracks; 2% to the Fund to Stabilize Off-track Betting Facilities; and 5% to be divided equally among the tribal governments of the federally recognized Indian tribes in the State.

Finally, the bill provides that the laws governing unlawful gambling and games of chance do not apply to sports pool operators that comply with the laws governing sports pools.

Selected portions of this bill were incorporated in the committee amendments to LD 553.
