***Joint Standing Committee on State and Local Government***

This bill amends the provisions regarding the election and appointment of county commissioners in the following ways:

1. It requires that when a party is eligible to choose a candidate or nominee for a primary, general or special election for county commissioner by political committee, the members of the county political committee who reside within the boundaries of the district subject to the election make the choice of candidate or nominee;
2. It clarifies that when there is a vacancy during the term of office of a county commissioner prior to the general election held in the second year of the term, a special election must be held to elect a new county commissioner for the last two years of the term, and the election must be held within the boundaries that existed at the time of the original election for that term;
3. It requires that when the law provides that a county commissioner appointed by the Governor to fill a vacancy must be enrolled in the same political party as the commissioner whose term is vacant, the Governor is required to choose from any recommendations submitted by the members of the county committee of the political party from which the appointment is to be made who reside within the boundaries of the district with the vacancy that existed at the time of the initial election for that term;
4. It requires that the apportionment plan of county districts following a decennial census takes effect the second year after the decennial census for the year 2020 and every 20 years thereafter and the plan takes effect on the fourth year after the decennial census for the year 2030 and every 20 years thereafter; and
5. It amends the provisions creating each county's commissioner districts to eliminate staggered terms of commissioners so that, beginning in 2022, each four-year commissioner term expires in a year in which there is a gubernatorial election.

**LD 1667     An Act To Amend the Laws Governing the State Compensation Commission**

**PUBLIC 384  
EMERGENCY**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BABBIDGE C GRATWICK G	OTP-AM	H-422

This bill increases the annual salary of the Governor to \$141,000 beginning in January 2023. It provides that beginning in January 2027, whenever a new Governor takes office, that Governor's annual salary must be adjusted by the percent change in the Consumer Price Index during the term of office of that Governor's predecessor subject to a limit of 3% per year.

This bill increases the annual salary of members of the Legislature to \$23,500 beginning in December 2022. The bill requires the Governor appoint two members of the State Compensation Commission and removes language that provides that one member is appointed by a majority of the members of the commission. The bill increases the term of Commission members to four years and provides for staggered terms.

**Committee Amendment "A" (H-422)**

This amendment strikes the bill. It adds an emergency preamble and clause. It amends the statutory reporting requirements of the State Compensation Commission by eliminating alternate year interim reports and adding a provision that the final report, due January 15th of every even-numbered year, be submitted to the joint standing committee of the Legislature having jurisdiction over state and local government. The amendment authorizes the joint standing committee of the Legislature having jurisdiction over state and local government matters to introduce legislation based on the commission's report.
