## Joint Standing Committee on Judiciary

This bill establishes responsibility for the repair and maintenance of private roads and private ways that benefit residential properties. Unless there is an agreement, restriction, covenant or road association that specifies the cost to be paid by each owner of a benefited property, the cost is shared in proportion to the benefit received by each owner of benefited property. An owner who damages a private road or private way that benefits other residential properties is solely responsible for the cost of repairs to fix the damage. An owner who fails to comply may be forced to comply through an action brought by other owners on the private road or private way.

This bill was carried over to any special or regular session, or both, of the 129th Legislature by joint order, H.P. 1322.
