H-540
S-278 SANBORN H

This bill modernizes state law to regulate private vehicle rentals.

Part A requires private vehicle rentals to comply with the same laws that apply to rental vehicles, rental vehicle transactions and rental vehicle companies. Part A also allows rental vehicle companies to comply with certain notice and record-keeping requirements electronically or through a master agreement.

Part B of the bill establishes insurance requirements for private vehicle rentals.

Committee Amendment "A" (H-540)

This amendment is the majority report of the committee. This amendment replaces the bill. The amendment removes the provisions of Part A of the bill, which require private vehicle rentals to comply with the same laws that apply to rental vehicles, rental vehicle transactions and rental vehicle companies.

The amendment replaces the provision relating to insurance requirements for private vehicle rentals, using different terminology to describe the practice as peer-to-peer car sharing and establishing insurance requirements for peer-to-peer car sharing programs. The amendment also sets forth parameters for liability when a loss or injury occurs during a car sharing period or while a motor vehicle is under the control of a peer-to-peer car sharing program.

Senate Amendment "B" To Committee Amendment "A" (S-278)

This amendment clarifies the requirement for a peer-to-peer car sharing program provider to procure liability insurance coverage and specifies that the requirement for a peer-to-peer car sharing program provider to procure property and casualty coverage begins June 1, 2020. The amendment also replaces the requirement that property and casualty insurance coverage for physical loss to a shared vehicle be provided to the same extent that coverage for physical loss is provided under a shared vehicle owner's policy with a requirement that coverage be provided in an amount not less than the replacement cost of a shared vehicle.
