Joint Standing Committee on Innovation, Development, Economic Advancement and Business

Public law 2019, chapter 305 strikes a provision regarding the Pine Tree Development Zone program that establishes the specific date of January 15, 2021 by which the Office of Program Evaluation and Government Accountability must complete a review of the program. This provision is unnecessary as current law already provides that the Government Oversight Committee establish a schedule for the Office of Program Evaluation and Government Accountability to conduct reviews of tax expenditure programs based on priority and the grouping of programs with similar goals.

LD 1685 An Act To Facilitate Entry of Immigrants into the Workforce

PUBLIC 447

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CLOUTIER K LIBBY N	OTP-AM	H-416

This bill establishes and provides funding for the Foreign Credentialing and Skills Recognition Revolving Loan Program, to be administered by the Finance Authority of Maine. Under the program, the authority may provide interest-free loans to foreign-educated or foreign-trained, experienced immigrants who need assistance while awaiting federal employment authorization to pay the costs of certain actions and activities that will improve their work-readiness once they receive their work permits.

To be eligible for assistance, individuals must have filed an application or petition with federal immigration authorities that entitles the individual to request a work permit, but have not yet received or been denied a work permit.

Funds are awarded directly to the individual pursuant to a contract established by the authority providing that the awardee use the funds only for eligible costs, that the awardee repay the loan in compliance with the terms and conditions established by the authority, that the awardee retain recipients for eligible expenditures, that breach of contract may require immediate loan repayment and other terms and conditions established by the authority.

Loans may not exceed \$700, though this limit may be adjusted at least biannually to reflect inflation or cost of living or other adjustments.

Loans must be repaid within 18 months of disbursement and no earlier than 60 days after the individual has obtained a work permit and 30 days after employment is obtained, though extensions may be granted and may
