STATE OF MAINE

129TH LEGISLATURE
FIRST REGULAR SESSION

LEGISLATIVE DIGEST OF BILL SUMMARIES AND ENACTED LAWS

This *Legislative Digest of Bill Summaries and Enacted Laws* contains summaries of all LDs and adopted amendments and all laws enacted or finally passed during the First Regular Session of the 129th Maine Legislature.

The *Digest* is arranged alphabetically by committee and within each committee by Legislative Document (LD) number. The committee report(s), prime sponsor and lead co-sponsor(s), if designated, are listed below each LD title. All adopted amendments are summarized and listed by paper number. A subject index is included with each committee. An appendix provides a summary of relevant session statistics.

Final action on each LD is noted to the right of the LD title. The following describes the various final actions.

approved by the department. The permit may be issued only if the local government identifies public access to the great pond that is at least suitable for the hand carrying of boats to the water, includes a parking area and has been marked with signage adequate to ensure public awareness of the public access. "Local government" is defined as a municipality or, in the unorganized territory, a county.

Enacted Law Summary

Public Law 2019, chapter 263 allows the Commissioner of Inland Fisheries and Wildlife to issue a limited permit to a local government. A limited permit allows a local government to introduce fish only into a great pond within the jurisdiction of the local government that was previously stocked by the department and in which stocking was suspended prior to January 1, 2019, and has not been resumed by the department due to inadequate public access. The permit allows the introduction of only the same species of fish that was stocked at the time the department suspended stocking. The permit allows only the introduction of fish obtained by the local government at its own expense from an in-state commercial facility that meets testing and health guidelines approved by the department. The permit may be issued only if the local government identifies public access to the great pond that is at least suitable for the hand carrying of boats to the water, includes a parking area and has been marked with signage adequate to ensure public awareness of the public access. "Local government" is defined as a municipality or, in the unorganized territory, a county.

Amendments Adopted

H-492

This bill changes the inland fisheries and wildlife laws to:

1. Define the terms "airbow," "crossbow" and "hand-held bow" or "bow" and establish an open season for hunting deer with an airbow during the open firearm season on deer;
2. Specify that lifetime license holders must meet eligibility requirements for hunting with bows and crossbows;
3. Make technical and grammatical corrections to the law regarding having a loaded firearm or crossbow in a motor vehicle or hunting or shooting from a motor vehicle or motorboat;
4. Repeal outdated language regarding carrying a handgun during the regular archery-only season on deer;
5. Clarify that it is only beaver, and no other species, that may be trapped by the holder of a nonresident trapping license who is not a citizen of the United States;
6. Require the court to impose a fine of \$20 for each quart of smelts rather than for each fish unlawfully possessed over the limit adopted by the Commissioner of Inland Fisheries and Wildlife by rule; and
7. Require any shack or temporary structure used for ice fishing to be removed by March 31st and, in the laws regarding litter control, amend the definition of the term "abandoned ice-fishing shack."

Committee Amendment "A" (H-492)

This amendment does the following.

1. It removes the provisions of the bill relating to airbows.
2. It clarifies the penalties for violating the smelt fishing limits.

Joint Standing Committee on Inland Fisheries and Wildlife

3. It Modifies the provision relating to the removal of ice fishing shacks to provide that. In those portions of the State where the ice fishing season has a closed season, the current law applies, which requires removal before ice out or three days after the close of the season, whichever is earlier; and in those portions of the State where there is no closed season, removal must be by ice out or March 31st, whichever is earlier.

Enacted Law Summary

Public Law 2019, chapter 325 changes the inland fisheries and wildlife laws to:

1. Define the terms "crossbow" and "hand-held bow" or "bow;"
2. Specify that lifetime license holders must meet eligibility requirements for hunting with bows and crossbows;
3. Make technical and grammatical corrections to the law regarding having a loaded firearm or crossbow in a motor vehicle or hunting or shooting from a motor vehicle or motorboat;
4. Repeal outdated language regarding carrying a handgun during the regular archery-only season on deer;
5. Clarify that it is only beaver, and no other species, that may be trapped by the holder of a nonresident trapping license who is not a citizen of the United States;
6. Require the court to impose a fine of \$20 for each quart of smelts rather than for each fish unlawfully possessed over the limit adopted by the Commissioner of Inland Fisheries and Wildlife by rule; and
7. Require, in those portions of the State where the ice fishing season has a closed season, the removal of any shack or temporary structure used for ice fishing before ice out or three days after the close of the season, whichever is earlier; and in those portions of the State where there is no closed season, removal must be by ice out or March 31st, whichever is earlier.

Amendments Adopted

H-491

This bill changes the term "adult supervisor" to "apprentice supervisor" in the law governing apprentice hunter license restrictions. It eliminates the threshold prohibiting persons younger than 18 years of age from transferring a valid antlerless deer permit to a junior hunter. It repeals the provision requiring the Commissioner of Inland Fisheries and Wildlife to designate locations where guide license examinations will be held. It also removes the requirement that a license must be obtained from the Department of Inland Fisheries and Wildlife to operate a motorboat carrying passengers for hire and instead requires proof of successful completion of a boater safety education course approved by a national association of state boating law administrators.

Committee Amendment "A" (H-491)

This amendment:

1. Changes the term for the person supervising an apprentice hunter to "youth hunter supervisor"; and
2. Removes the portion of the bill that repeals the provision of law requiring the Commissioner of Inland Fisheries and Wildlife to designate locations where the guide license examination is to be held and to hold the examination in one of the Department of Inland Fisheries and Wildlife regions if at least 10 applicants reside in that region.
