Committee Report

Amendments Adopted

This bill makes corrections to various statutory provisions related to the Department of Corrections.

Sections 1 and 2 amend the part of the Maine Juvenile Code having to do with authorized places of detention for juveniles that, due to an oversight, was not amended when the Maine Revised Statutes, Title 34-A was amended to allow adults to be housed at the Mountain View Correctional Facility.

Section 3 amends a statutory provision having to do with the collection of restitution from former Department of Corrections clients to recognize that the time and method of payment of restitution are, in some cases, determined by the sentencing court and not the department.

Section 4 removes an inapposite reference from a statutory provision authorizing rules for work release, furlough and other rehabilitative programs.

*Joint Standing Committee on Criminal Justice and Public Safety*

Section 5 corrects a grammatical error in a statutory provision relating to supervised community confinement.

This bill was carried over to any special or regular session, or both, of the 129th Legislature by joint order, H.P. 1322.

**LD 1756    An Act To Improve Public Safety through Coordinated Reentry of Prisoners into the Community**

**HELD BY GOVERNOR**

TALBOT ROSS R DESCHAMBAULT S	OTP-AM	H-580

This bill requires the Commissioner of Corrections to enter into agreements with other state agencies to ensure that prisoners and juvenile clients receive coordinated assistance with reentry and receive services and benefits upon release into the community. It also authorizes the commissioner to enter into similar agreements with federal agencies and community agencies. Under current law, the amount of time a prisoner must serve prior to being transferred to supervised community confinement is based on the term of imprisonment. The bill removes that distinction. The bill removes a provision of law providing that if the commissioner determines that the average statewide probation case load is no more than 90 probationers to one probation officer, a prisoner may be transferred to supervised community confinement if the prisoner has no more than two years remaining on the term of imprisonment or unsuspended portion of a split sentence. Under current law, the commissioner may transfer any client from one correctional or detention facility or program to another. The bill adds sober houses, transitional housing and reentry programs to the list of such facilities in current law.

**Committee Amendment "A" (H-580)**

This amendment updates the language in the bill to reflect changes made this session and adds a requirement that the Department of Corrections establish a steering committee focused on assessing and examining the supervised community confinement program and reentry policies, practices and procedures.
