- 3. Persons who are injured by violations of employment laws are protected fromretaliation.

This bill, which had not yet been voted by the committee, was carried over committee to any special session of the 129th Legislature by joint order, S.P. 788.

LD 1842 An Act Relating to the Computation of Benefits for Correctional Officers in the 1998 Special Retirement Plan CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
	OTP ONTP	

This bill was carried over from the First Regular Session of the 129th Legislature on the Special Appropriations Table by joint order, H.P. 1322.

This bill was reported out by the Joint Standing Committee on Labor and Housing in the First Regular Session pursuant to Joint Order 2019, S.P. 584, and was the majority report of the committee. The bill requires that service retirement benefits for employees of the Department of Corrections included in the 1998 Special Plan as of the effective date of the bill who receive a direct care stipend pursuant to a collective bargaining agreement and who were employed prior to January 1, 2000, be computed on the same basis as benefits for other members under the plan are computed; creditable service is included regardless of when that service was earned.

The bill includes an appropriations and allocations section to provide funding.

This bill was again carried over, still on the Special Appropriations Table, to any special session of the 129th Legislature by joint order, S.P. 788.

LD 1874 An Act To Amend the Laws Governing the Subminimum Wage PUBLIC 632

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
FECTEAUR LIBBY N	OTP-AM ONTP	H-724

This bill eliminates current exemptions from the minimum wage law that allow the payment of wages at less than the minimum wage rate to certain individuals with disabilities.

Committee Amendment "A" (H-724)

This amendment, which is the majority report of the committee, removes the section of the bill that specifies that a special certificate issued pursuant to the Maine Revised Statutes, Title 26, section 666 is not valid; that provision is unnecessary because no employer in the State holds a special certificate to pay an employee with a disability a subminimum wage.

Enacted Law Summary

Public Law 2019, chapter 632 eliminates current exemptions from the minimum wage law that allow the payment of wages at less than the minimum wage rate to certain individuals with disabilities.
