Enacted Law Summary

Public Law 2019, chapter 585 makes the following changes to the laws governing unemployment compensation.

1. It restores language previously in law governing the employer benefit charging model.
2. It provides that the experience rating record of the most recent subject employer may not be charged with benefits paid to a claimant whose work record with that employer totals five or fewer consecutive weeks.
3. It provides that, in the absence of an application for redetermination filed within 30 days after the mailing of notification of benefits paid and chargeable to the employer's experience rating, the notification is conclusive and binding. It requires that any request for reconsideration must be made under the laws governing appeals of determination or assessment.
4. It replaces references to the Unemployment Insurance Commission with references to the Division of Administrative Hearings to conform with changes made in Public Law 2017, chapter 284, Part AAAAA.
