Committee Amendment "A" (H-721)

This amendment changes the term that refers to the person who supervises a junior trapper from "adult trapper supervisor" to "junior trapper supervisor."

The amendment clarifies that a person 16 years of age who obtained a junior trapping license before that person reached 16 years of age must either successfully complete a trapper education course prior to trapping or be supervised by a junior trapper supervisor while trapping after the person turns 16 years of age.

Additionally, the amendment changes a statutory reference to the hunter safety course a junior hunter is required to complete if not supervised by a junior hunter supervisor.
