CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MIRAMANT D INGWERSEN H	OTP-AM ONTP	

This bill amends the laws relating to disability retirement under the Maine Public Employees Retirement System and makes other changes relating to the structure of the Maine Public Employees Retirement System.

This bill:

2. Provides that the system's hearing officers are not employees of the Board of Trustees of the Maine Public Employees Retirement System but independent contractors that serve as neutral and independent decision makers;
3. Modifies the definition of "disabled";
4. Provides that a member seeking disability retirement must obtain a residual functional capacity assessment from a health care provider. The bill defines "health care provider." The board may find that a member has a mental or physical disability and is eligible for disability retirement based on the information provided through the assessment. If the board is unable to determine whether the member is eligible for disability retirement based on the information provided through the assessment, the board must direct the member to have an independent medical examination by an independent health care provider. After an independent medical review, the board must refer the member's application to a disability specialist, who must, in consultation with the board, make a finding of disability
