LD 2037 An Act To Amend the Maine Criminal Code

CARRIED OVER

Committee Report

Amendments Adopted

This bill is submitted by the Criminal Law Advisory Commission pursuant to the Maine Revised Statutes, Title 17-A, section 1354, subsection 2.

Part A of the bill authorizes nonconcurrent sentencing when a crime is committed by a convicted person during a stay of execution of any term of imprisonment or after failure to report after a stay of execution of any term of imprisonment. It also authorizes nonconcurrent sentencing when the convicted person is convicted of the crime of failure to report as ordered after a stay of execution of any term of imprisonment.

Part B amends the Maine Revised Statutes, Title 17-A, section 2016 to make it consistent with existing law in Title 17-A, section 2009 with respect to disposition of funds by correctional facilities when they hold funds for the purposes of restitution and the victim cannot be located. Title 17-A, section 2016 currently requires the facility to notify the court and the court to determine distribution of the funds. The bill requires the facility to forward the funds to the Treasurer of State to be handled as unclaimed property, consistent with current Title 17-A, section 2009.

Part C separates two variants of kidnapping under the Maine Revised Statutes, Title 17-A, section 301, subsection 1, paragraph A, subparagraph (3). The crime of kidnapping with the intent to inflict bodily injury is distinct from the crime of kidnapping with the intent to subject a person to criminal activity defined in Title 17-A, chapter 11. The latter remains a Tier III crime requiring registration pursuant to the Sex Offender Registration and Notification Act of 2013. Crimes committed in violation of Title 17-A, section 301, subsection 1, paragraph A, subparagraph (3) after the effective date of this legislation will not require registration. In addition, this provision provides clarity in the Maine Criminal Code and a more accurate reference for purposes of crime data.

Part D clarifies that immunity from revocation of probation is limited to the same conduct for which there is immunity from prosecution under the law protecting persons seeking medical assistance or administering naloxone hydrochloride or experiencing a drug-related overdose.

This bill, which had not yet been voted by the committee, was carried over in committee to any special session of
