or autism, to instead include all cases involving incapacitated adults and dependent adults.

Committee Amendment "A" (H-780)

This amendment replaces the bill. It changes the references in the bill to cite the Adult Protective Services Act in the Maine Revised Statutes, Title 22, chapter 958-A when requiring that the Department of Health and Human Services include reports of persons who have exploited, abused or neglected incapacitated and dependent adults in its system as provided in Title 34-B.

Enacted Law Summary

Public Law 2019, chapter 661 requires the Department of Health and Human Services to establish and maintain an adult protective services registry of persons for whom there have been substantiated reports of abuse, neglect or exploitation of dependent adults or incapacitated adults. Previously, the registry was limited to cases in which the person abused, neglected or exploited is an adult with an intellectual disability or autism. Public Law 2019, chapter 661 extends the registry to cases involving incapacitated adults and dependent adults.
