Public Law 2019, chapter 614 allows for the registration of slot machines and associated equipment by licensed gambling services vendors in addition to licensed slot machine distributors, as in current law. It also changes the definition of "associated equipment" to clarify that only mechanical, electromechanical or electronic components or machines that are used in or intended for use in a slot machine or table game and that affect the outcome of the game, are involved in the handling of money, tokens, credits or similar objects or things of value, or are involved in the calculation of or distribution of payoffs must be registered.

#### **LD 2088** An Act To Clarify the Laws Governing Financial Relationships between Entities within the Three-tier System for Distribution of Alcohol

**PUBLIC 665**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
	OTP-AM	S-426

This committee bill was reported out by the Joint Standing Committee on Veterans and Legal Affairs pursuant to Resolve 2019, chapter 15. It consolidates in one statutory section the separate laws prohibiting financial relationships between entities within the three-tier system of alcohol distribution in Maine. The bill clarifies that, with only a few minor exceptions, an entity in the manufacturer tier, wholesaler tier or retailer tier may not have a financial interest, direct or indirect, in an entity in a different tier of the three-tier system. Unlike current law, the bill clarifies that these so-called three-tier prohibitions apply to entities that sell spirits. The bill also preserves the prohibition in current law against an in-state wholesaler of malt liquor and wine, referred to in current law as a "wholesale licensee," having any financial interest, direct or indirect, in an out-of-state wholesaler of malt liquor or wine whose products are imported into the State.

#### **Committee Amendment "A" (S-426)**

The bill generally prohibits an entity within one tier of the three-tier system of alcohol distribution in Maine from having a financial interest in an entity within another tier of the three-tier system in Maine and extends the financial interest prohibitions of the three-tier system, which apply under current law to entities that manufacture, import or sell malt liquor and wine within the State, to entities that manufacture, import or sell spirits within the State. Under the bill, in-state and out-of-state manufacturers comprise the first tier of alcohol distribution, in-state and out-of-state wholesalers comprise the second tier of alcohol distribution and in-state retailers comprise the third tier
