LD 2099 An Act To Amend Provisions of the Maine Medical Use of Marijuana Act

CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
GRATWICK G		

This bill makes the following changes to the Maine Medical Use of Marijuana Act.

1. It adds definitions of "batch" and "batch number." It also adds to the definition of "inherently hazardous substance" alcohol and ethanol and amends the definition of "cultivation area" to require such an area to be obscured from public viewing by a person under 21 years of age. It changes the definitions of "seedling" and "immature marijuana plant." It changes the definition of "registered caregiver" to specify that it means a natural person who is a caregiver.
2. It aligns the labeling requirements of the Maine Medical Use of Marijuana Act with the labeling requirements of the Marijuana Legalization Act and provides more specific guidance regarding required labeling.
3. It requires local authorization for caregiver retail stores, registered dispensaries, marijuana testing facilities and manufacturing facilities operating in towns, plantations and townships in the unorganized and deorganized areas, in addition to local authorization by municipalities already required by law.
4. It authorizes the Department of Administrative and Financial Services to impose upon registered caregivers, caregiver retail stores, dispensaries, manufacturing facilities and persons authorized to engage in marijuana extraction using inherently hazardous substances fines for violations of the Maine Medical Use of Marijuana Act and rules adopted pursuant to the Act. It also establishes maximum allowable fines for minor and major registration violations, including major registration violations affecting public safety.
5. It requires all registered caregivers and assistants of registered caregivers and officers, directors and assistants of registered dispensaries, registered manufacturing facilities, persons authorized to engage in marijuana extraction using inherently hazardous substances and marijuana testing facilities to submit to an annual state and federal criminal history record check in order for the department to issue or renew a registry identification card.
6. It authorizes the department to assess a fee for caregivers registering with the department based upon plant canopy and amends the statutory fee schedule to clarify that caregivers may register based upon plant count or plant canopy. It requires a caregiver to obtain a registration certificate to operate a caregiver retail store and provides that the annual registration fee for a caregiver retail store may not be less than \$50 or more than \$500. It requires a caregiver to notify the department of the physical address of a caregiver retail store. It allows a caregiver to organize the caregiver's business activities as any type of legal business entity recognized under the laws of the State.

This bill, which had been voted but not yet reported out by the committee, was carried over in committee to any special session of the 129th Legislature by joint order, S.P. 788.
