**LD 2137      Resolve, To Increase the Reimbursement Rates for Home-based Services      CARRIED OVER**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BELLOWS S GATTINE D		

This resolve requires that the Department of Health and Human Services amend its rules to increase reimbursement rates for certain specified home-based services.

This resolve, which had not yet been voted by the committee, was carried over in committee to any special session of the 129th Legislature by joint order, S.P. 788.

**LD 2141      Resolve, To Ensure Continued Services for Children with Disabilities by Imposing a Delay on MaineCare Rulemaking until an Impact Study is Completed      CARRIED OVER**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MEYER M JACKSON T		

This resolve imposes a delay on the adoption by the Department of Health and Human Services of any rule that proposes to change provisions of 10-144 C.M.R. Chapter 101: MaineCare Benefits Manual governing school-based services. It requires the department, before initiating rulemaking, to complete an impact study setting forth the rationale for the proposed changes, the financial impacts on affected families and providers of school-based services, potential service delays and other issues relating to state and federal law. The department is required to seek and consider input from affected provider groups, schools, children and family advocacy groups, the Department of Education, the Child Development Services System and other stakeholders and is also required to incorporate into the study the recommendations and implementation plan for early intervention services in public schools that will be forthcoming from the review of the State's early childhood special education services being carried out pursuant to Public Law 2019, chapter 343, Part VVVV. This report, produced by an independent entity, is due to be completed on December 1, 2020.

It requires the department to submit the completed study and a further report regarding any proposed rules or modifications to current rule pertaining to medically necessary school-based services to the joint standing committee of the Legislature having jurisdiction over health and human services matters no later than April 1, 2021. The joint standing committee is authorized to report out legislation relating to the subject matter of the study and the report to the First Regular Session of the 130th Legislature.

It authorizes the department, following completion of its study and report but no earlier than July 1, 2021, to initiate rulemaking to change rules governing school-based services provided under 10-144 C.M.R. Chapter 101: MaineCare Benefits Manual and specifies that any rules adopted are major substantive rules pursuant to the Maine Revised Statutes, Title 5, chapter 375, subchapter 2-A.

This resolve, which had not yet been voted by the committee, was carried over in committee to any special session of the 129th Legislature by joint order, S.P. 788.
