LD 2 An Act To Require the Inclusion of Racial Impact Statements in the Legislative Process

ENACTED LAW SUMMARY

Public Law 2021, chapter 21 requires a state agency or the designee of a commissioner or director of a state agency to provide, upon the request of a committee of the Legislature, data, analysis and other information in its possession that is necessary for the Legislature to prepare a racial impact statement. A racial impact statement is an assessment of the potential impact that legislation could have on historically disadvantaged racial populations.

Public Law 2021, chapter 21 also requires the Legislative Council to conduct a study to determine the best method to establish and implement a system for using racial impact statements in the legislative process. The study must be completed and a report with findings produced by November 1, 2021. Based on the reported findings of the study, the Legislative Council is required to implement, by December 1, 2021, a pilot project for the limited use of racial impact statements in the Second Regular Session of the 130th Legislature. Any joint standing committee that participates in the pilot project is required to report to the Legislative Council on its use of racial impact statements no later than 30 days following adjournment of the Second Regular Session. The Legislative Council is required to make a recommendation to the Legislative Council of the 131st Legislature, no later than December 5, 2022, on whether to expand or eliminate the use of racial impact statements.

LD 91 An Act To Update the Maine Uniform Accounting and Auditing Practices Act for Community Agencies

ENACTED LAW SUMMARY

It replaces an outdated reference to the federal Office of Management and Budget Circular A-133 by referring to uniform guidance under 2 Code of Federal Regulations, Part 200. It updates the dollar thresholds for the annual financial reporting requirements to conform with that guidance. It also repeals provisions establishing the Advisory Committee to the Commissioner and requiring the commissioner to submit annual reports to the joint standing committee of the Legislature having jurisdiction over state and local government matters on the implementation of the law.

ENACTED LAW SUMMARY
