JOINT STANDING COMMITTEE ON AGRICULTURE, CONSERVATION AND FORESTRY

Resolve 2021, chapter 10 was finally passed as an emergency measure effective May 5, 2021.

LD 264 Resolve, Directing the Board of Pesticides Control To Gather Information Relating to Perfluoroalkyl and Polyfluoroalkyl Substances in the State

ENACTED LAW SUMMARY

Resolve 2021, chapter 83 directs the Department of Agriculture, Conservation and Forestry, Board of Pesticides Control to amend its rules governing the registration of pesticides in the State to require manufacturers and distributors to provide affidavits stating whether the registered pesticide has ever been stored, distributed or packaged in a fluorinated high-density polyethylene container and to require manufacturers to provide an affidavit stating whether a perfluoroalkyl or polyfluoroalkyl substance is in the formulation of the registered pesticide.

The law also directs the board to conduct a study to determine if fluorinated adjuvants are being used or sold in the State. It directs the board to explore what is needed to regulate fluorinated adjuvants in the State and to explore what is necessary to impose a prohibition on the distribution or application of pesticides or adjuvants containing perfluoroalkyl or polyfluoroalkyl substances in the State. The law also directs the board to develop a feasible definition of perfluoroalkyl or polyfluoroalkyl adulteration in a pesticide. It directs the board to submit a report based on the study, with findings and recommendations, to the Joint Standing Committee on Agriculture, Conservation and Forestry no later than January 15, 2022 and gives the joint standing committee authority to submit a bill to the 130th Legislature relating to the subject matter of the report.

LD 268 An Act To Eliminate Online Burn Permit Fees for All Areas of the State

ENACTED LAW SUMMARY

Public Law 2021, chapter 414 provides that a person may not be charged a fee to obtain a burn permit online. The law also allows a vendor or owner of a private party burn permit software system to charge a municipality for use of private party burn permit software.

LD 316 An Act To Prohibit the Use of Chlorpyrifos

ENACTED LAW SUMMARY

Public Law 2021, chapter 105 prohibits the use of pesticides containing chlorpyrifos as an active ingredient beginning January 1, 2022. From January 1, 2022 to December 31, 2022 the Board of Pesticides Control may grant a temporary permit authorizing a pesticides applicator licensed by the State to use or apply a pesticide containing chlorpyrifos as an active ingredient, as long as that licensed pesticides applicator possessed the pesticide in the State before January 1, 2022. The
