**LD 368 An Act To Amend the Laws Governing Proof of Financial Responsibility with Respect to Motor Vehicles**

**ENACTED LAW SUMMARY**

Public Law 2021, chapter 254 changes the laws governing proof of financial responsibility with respect to motor vehicles. The law limits the authority of a corporation to demonstrate financial ability to comply with the requirements to a corporation that is a transmission and distribution utility.

The law also clarifies the process used for a person to provide proof of financial responsibility by the deposit of money or securities with the Treasurer of State in lieu of obtaining motor vehicle insurance. The law requires the Secretary of State to issue a certificate of compliance with the financial responsibility laws for up to one year after approval and receipt of the deposit by the Treasurer and evidence that there are no unsatisfied judgments against the depositor and requires renewal of that certificate annually. The law requires the Treasurer of State to hold the money or securities for a period of not less than six years following the cancellation of a deposit as proof of financial responsibility or for such other period of time required to satisfy the statute of limitations in effect at the time of cancellation for filing claims for causes of action arising from a motor vehicle accident.
