**LD 492 An Act To Create a Regional Grant Program To Help Rural Businesses Find
Qualified Staff**

ENACTED LAW SUMMARY

Public Law 2021, chapter 420 creates a grant program and related fund for the purpose of supporting groups working on local economic development initiatives in rural regions of the State that will assist rural businesses in those regions in locating, recruiting and retaining qualified staff to meet workforce needs. The law defines “rural regions of the State” to mean the counties of Aroostook, Piscataquis, Somerset and Washington. It also requires that all funds awarded be matched by the group that receives the grant. It appropriates funds of \$200,000 in fiscal year 2021-22 and fiscal year 2022-23, and requires the Department of Economic and Community Development to report by January 15th of each year to the joint standing committee of the Legislature having jurisdiction over economic development matters on the program, including the number of grants given and the results achieved.
